When the Sun stands still for a moment during the evening of December 21, 2019, it opens an opportunity to be still for a moment and listen deep within our own Self. You will be a part of finding that moment of Stillness in our Circle benefiting your own reality, those around you and the Globe.

During this Winter Solstice event, you will experience the following:

- Invocation of the Sun's presence
- Guidance and messages from Spiritual Medium Denise Atkinson*
- Messages contemplated by a meditation led by Agneta and Denise
- Shamanic Meditation Journey led by Agneta
- PLEASE BRING AN OBJECT FOR THE OPENING RITUAL!
